Museum Buildings

The Lisle Heritage Society was instrumental in acquiring, moving, and restoring the historic Lisle Depot, Netzley/Yender farmhouse, Beaubien Tavern, and wooden CB&Q waycar (caboose) which are exhibited at:

The Museums of Lisle Station Park
921 School St., Lisle, IL 60532

Programs and Special Events

The Society presents annual educational and entertaining 19th century-themed special events to the public.

General member meetings are held 7 times per year, and usually include a program of historic interest.

Model Railroad

Members, and other railroad enthusiasts, built and operate a large HO gauge model railroad at Lisle Station Park.

Blacksmithing

Members who are blacksmiths operate and offer classes in a blacksmith shop that is a 19th century barn acquired and reassembled at the park.

Volunteer Opportunities

Please check any you'd like to participate in:

Special Events

Many hands doing a great variety of tasks are needed to make annual special events such as Depot Days, Once Upon a Christmas, and School Days a success! Enjoy the teamwork!
